REF 51011003 CEDERROTH FIRST AID & BURN STATION

## 1 GENERAL PRODUCT DESCRIPTION

### Description

A First Aid station containing a variety of first aid products, intended to be used in first aid situations, especially suitable for work places where there is a risk of burns. All products are easily available and protected against dust and moisture by transparent lids. Space for additional products is provided behind a lid with first aid instructions. Blue adhesive bandages (plasters) and blue soft foam bandage are placed in dispensers for easy access and theft-proof storage. A special key is provided for refill replacement. Medical devices in the station are CE-labelled.

The station contains >70% post-consumer recycled plastic (>85% in green coloured parts).

### Storage information

Dry storage in room temperature. For maximum protection, keep in original package until use.
